Travel Information

Flights/Ground Transportation

San Jose Airport (SJC). SJC is the most convenient option. It is only 10 minutes (3 miles) from campus and the conference hotel, and it rarely has weather delays. A free bus shuttle (VTA/SJC Airport Flyer, Bus #10) runs between SJC and the Santa Clara Caltrain Station, which is next door to the conference hotel and across the street from campus. The Airport Flyer runs every 15-30 minutes from 5:00am to 11:30pm. If you fly into SJC, you probably don't need to rent a car.

San Francisco Airport (SFO). SFO's convenient flights should be balanced against its notorious weather delays, its distance to campus (40 miles), the chances of painful traffic and ground transportation costs.

People often rent a car from SFO. Free parking is available at the conference hotel and on campus.

Otherwise, we recommend Uber/Lyft (we estimate $70 each way + tip, but prices vary—and meet your driver on the *DEPARTURE* level), a pre-arranged car service (we estimate $100 each way + tip), or a shared multi-stop SuperShuttle or South & East Bay Shuttle van (as low as $16 + tip each way if you reserve in advance; otherwise around $40 each way). We don't recommend taxis (we estimate $125 each way + tip, plus a late night surcharge) or mass transit.

To take mass transit, take BART to Millbrae, switch to Caltrain and take it to the Santa Clara stop. Cost should be around $13 each way. The Caltrain station is across the street from campus and next door to the conference hotel. BART/Caltrain takes 90+ minutes in the best case.

Oakland Airport (OAK). OAK has a surprising number of non-stop destinations and sometimes lower prices than SFO or SJC. OAK is about 40 miles/45 minutes from campus, and ground transportation options/costs are comparable to SFO's (except mass transit is even less attractive).

Hotel

The conference hotel is Candlewood Suites Santa Clara, 481 El Camino Real, Santa Clara, CA 95050. (408) 241-9305. It is across the street from the SCU campus. A limited number of discounted rooms are available on a first-come, first served basis. Discounted room rates start at $140/night plus tax (rates subject to change). Reserve your room online, or call the hotel and ask for the "WIP Room Block."

Getting to Campus
