

SANTA CLARA UNIVERSITY SCHOOL OF LAW

15th Annual Diversity & Inclusion Gala

We invite members of your organization to join us to celebrate our 15th Annual Diversity & Inclusion Gala on **Thursday, November 14, 2019 from 5-7 pm**. This annual celebration – one of the only events of its kind among U.S. law schools – showcases our long-standing commitment to diversity and inclusion in the legal profession through our student organizations, our alumni engagement, and our connections within the community.

For sponsors, the Diversity & Inclusion Gala provides an unparalleled opportunity to connect with Santa Clara Law students and colleagues, honor those who champion diversity and inclusion, and support our continued efforts to educate and train lawyers who lead. ***All proceeds from the Diversity & Inclusion Gala go directly to the Thurgood Marshall Civil Rights Scholarship Fund that provides much-needed financial assistance for Santa Clara Law students.***

Each year, we offer the opportunity to become an event sponsor for those organizations looking to increase their profile in the Santa Clara Law community, as well as throughout Silicon Valley. Sponsors at all levels will receive appropriate recognition in Diversity & Inclusion Gala print and electronic marketing materials and will be thanked at the event itself. The donation levels are as follows:
