

Mark Lyon
Partner
Gibson, Dunn & Crutcher LLP

Mark Lyon is a partner at Gibson, Dunn & Crutcher LLP and the Chair of Gibson Dunn's Artificial Intelligence and Autonomous Systems practice group. Mark has over two decades of experience representing clients in litigation, regulatory and transactional matters involving intellectual property and data rights, cybersecurity and privacy issues, and commercial matters involving numerous technology areas. A frequent lecturer and author on legal issues raised by new and emerging technologies, Mark is also an active member of the law committee of The IEEE Global Initiative on Ethics of Autonomous and Intelligent Systems, which will soon release version 3 of its guiding publication, "Ethically Aligned Design."
