

**Carlos Rosario**  
**Intellectual Property Attorney**  
**Peloton Technology**

**Carlos Rosario** is a 2011 graduate of the Santa Clara University School of Law and is a generalist in the automotive sector. After leaving Finnegan, Henderson, Farabow, Garrett & Dunner, Carlos joined electric vehicle company Faraday Future as Senior IP Counsel, where he managed the company's intellectual property and privacy programs. In 2018, Carlos joined Peloton Technology, a company that creates vehicle-to-vehicle automation systems for semi-trucks. As part of a two-person legal department, Carlos's work includes intellectual property, transactions, fund raising, privacy, and employment. Carlos attended the University of Southern California, where he received a Bachelor of Science in computer engineering and a Master of Science in computer science. Prior to attending law school, Carlos worked in aerospace industry as a computer engineer.
